**RESOLUTION  
On Elections in Thailand**

We, the participants of the High Level Democracy Meeting “The Road to Democracy: Role of the Community of Democracies Parliamentary Forum” held in Vilnius on 30 June 2011, express our deep hope that the upcoming elections in Thailand will be conducted in a democratic and peaceful manner. We also call on the parties to remember their pledge in the “Code of Conduct” to accept democratically achieved results. Furthermore, we call on the military to refrain from interfering in any way with the future of a government based on the will of the majority. Finally, we call on all parties to engage in a process of national reconciliation after the elections with a view to deepening democracy in Thailand.
